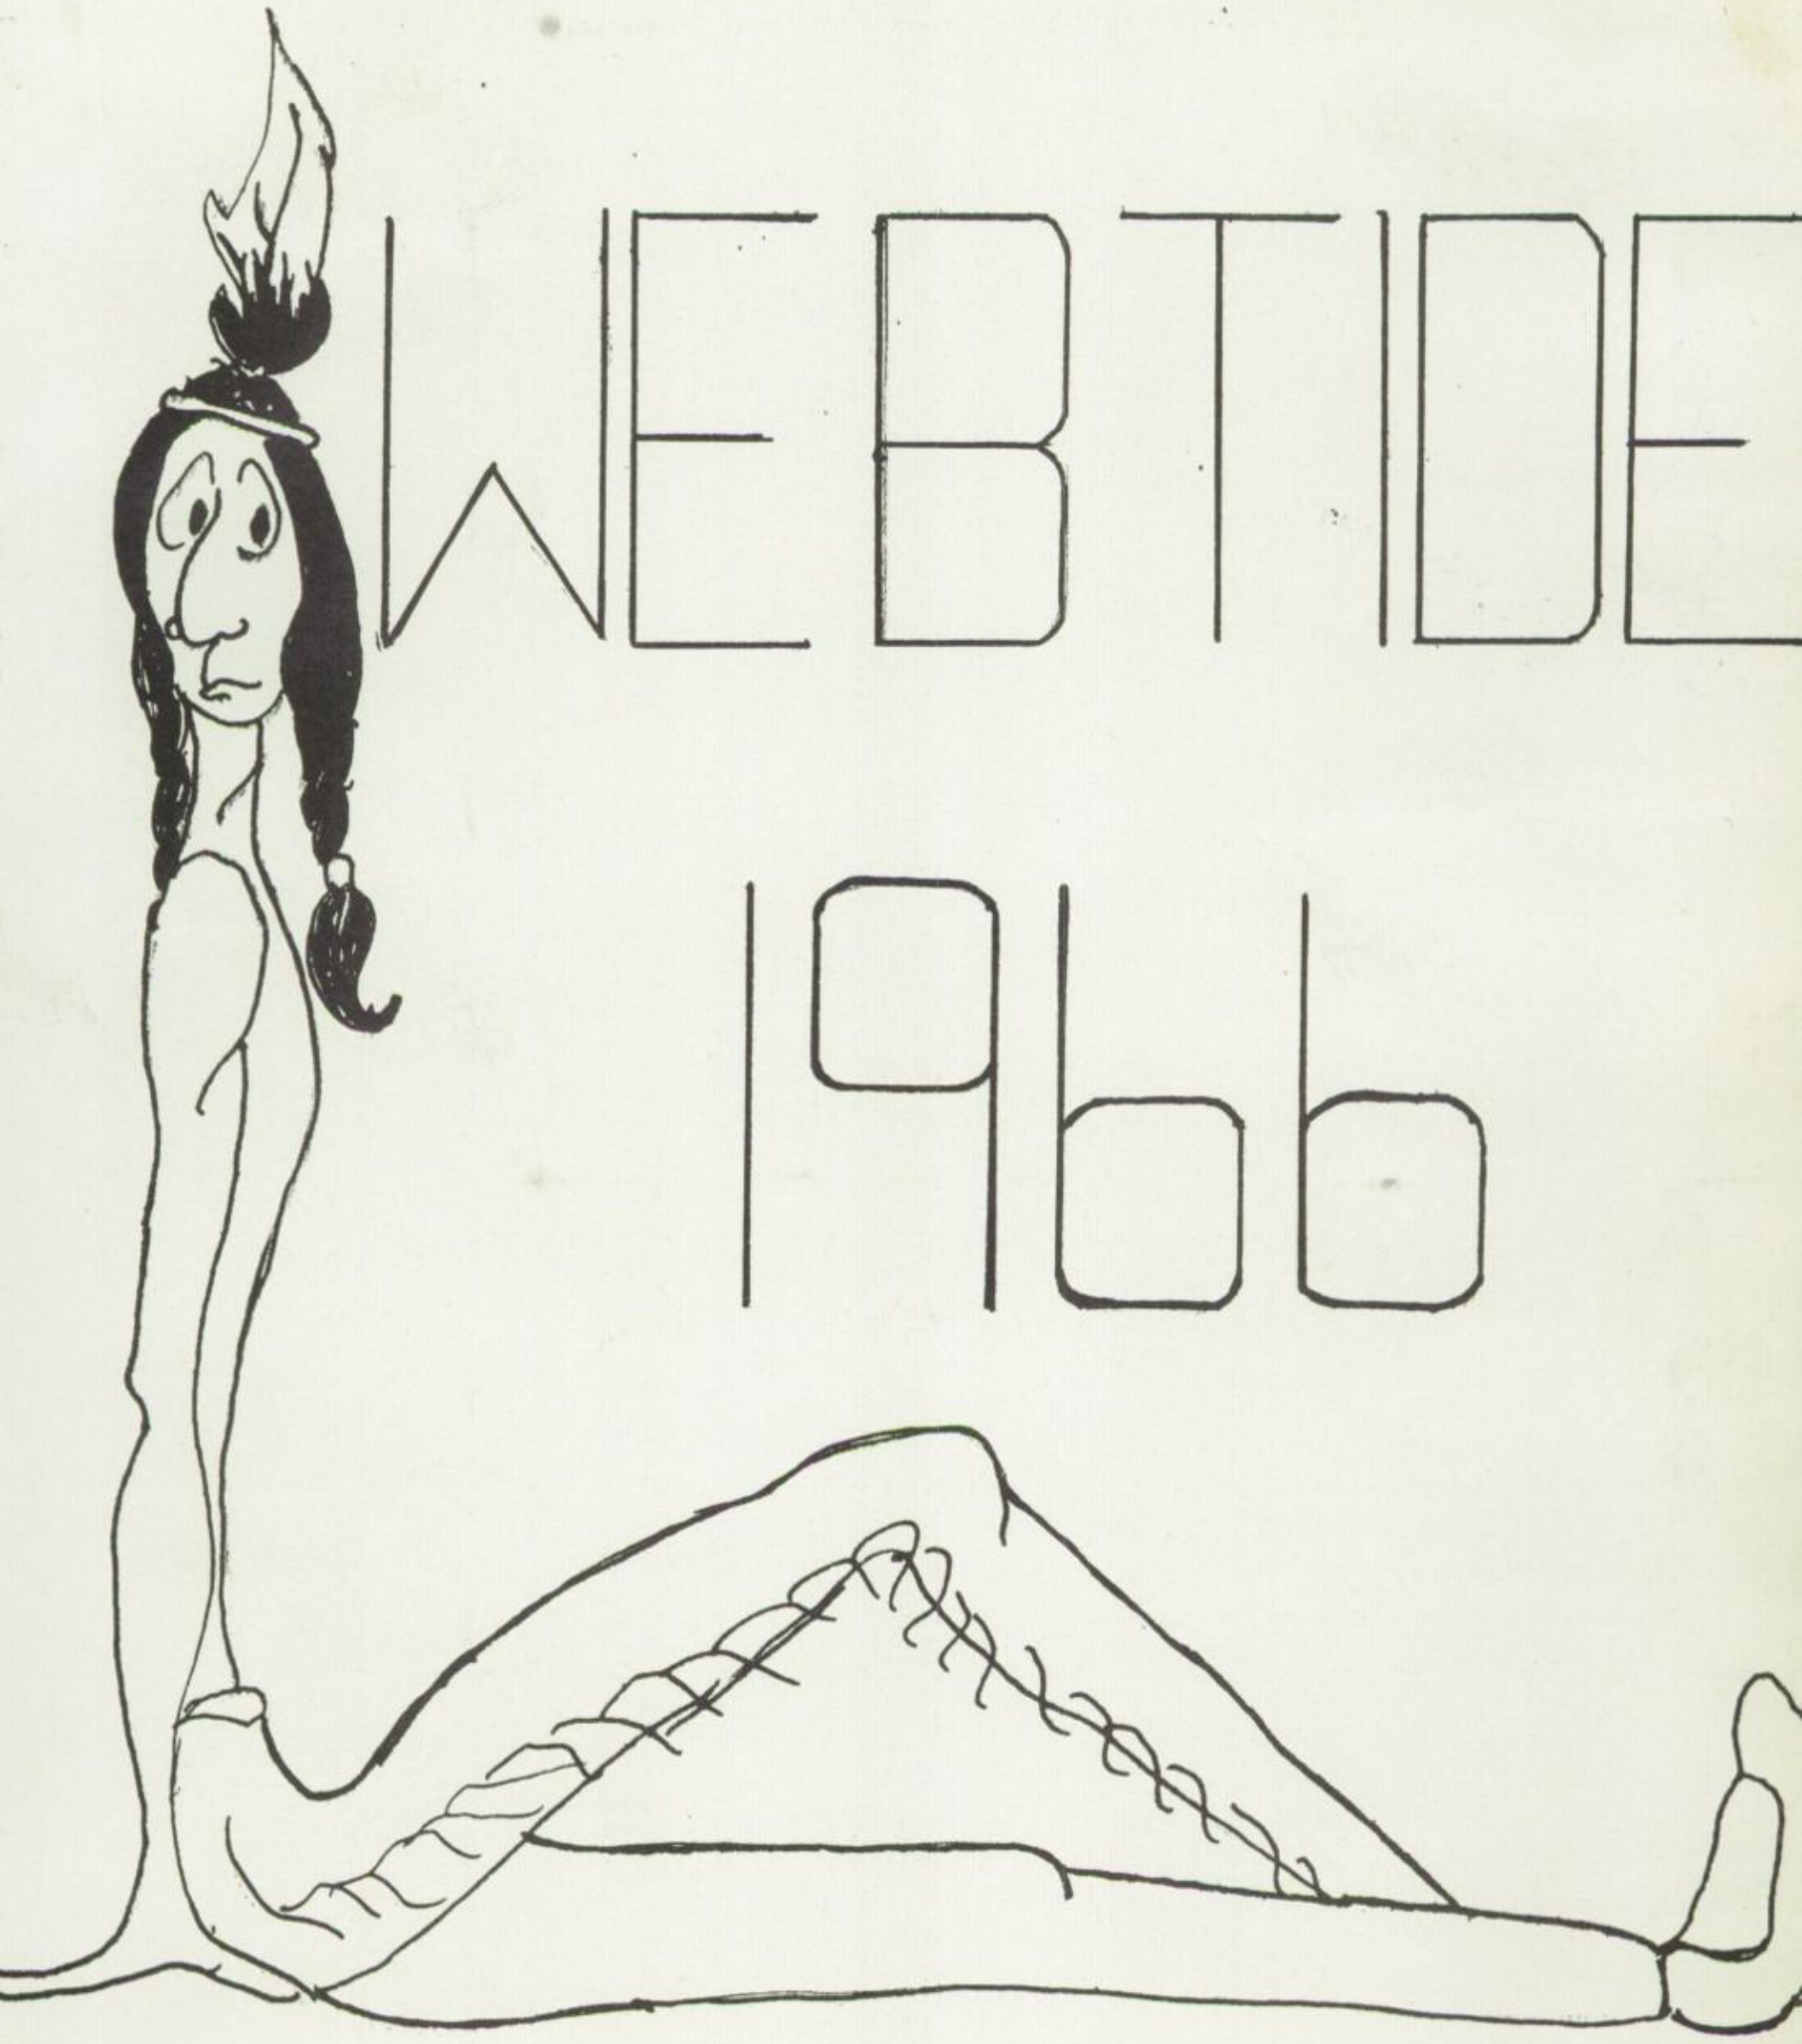
# WEBTIDE

# 1966



Puerto bono!
Mme Terni

# Dedication

This year's Webtide is proudly dedicated to one of Webutuck's most colorful and warm-hearted teachers, Mrs. Henrietta Terni. Madam, as she is fondly called by her students, joined the Webutuck Central School Staff in 1947. Throughout the years she has taught Latin, English and French.

Madam, we want you to know that we are grateful for your sympathy, your understanding, and the time which you gave so willingly, not to mention all the useful scrap paper.

Because you've made our years at Webutuck warmer and brighter, the graduating class of 1966 will always remember you.

# Last Will and Testament

We, the class of 1966 of Webutuck Central School in the County of Dutchess and State of New York, being of sound mind and body, do make publish and declare this our last Will and Testament:

Mary Jane Conklin leaves her smile and dimples to any underclassman who wants to have a lot of fun and wonderful memories throughout his or her high school years.
Gay Franks leaves her locker full of empty animal cracker boxes to Mariley Smith.
Elliot McEldowney leaves his 327 green Rambler and expenses to anyone who wants it.
Barb Owen leaves her sister Mary, all the problems and fun of her Junior and Senior years, especially the fun of eating apples in study hall.
Sara Bagomolmy leaves her "petitness" and quiet manner to Dawn Pitcher.
Ann Holabird leaves her riding ability to Emily Cole.
Cheryl Lentz leaves her long blond hair to Mr. Price.
John Breen leaves his position in the FFA to George Hoffman.
Paul Lukens leaves one bottle of diseased Drosophila mellarrogaster (fruit flies) to Mr. DesChamps.
Robert Bergfels leaves his spare time to Mr. Fullerton.
Clarence Howard leaves his butterfly to anybody who has a collection.
Linda Conklin leaves her Nestle's Crunch wrapper to Laura Yankowski.
John Canevari leaves his confused thoughts about poetry to Mr. Nerney.
Pam St. John leaves her gym suit to Diane Giblin.
Karen Luks bequeaths a chorus of laughs and giggles to Miss Sargent.
Bruce Farr leaves his mastery of amateur radio fundamentals to Don Gross
Linda Segalla leaves her "grape soda" (including her church key) to Jake Shoifet.
Claire Barlow leaves her memories of Webutuck to anyone who wishes to have them.
Francis Dunn leaves a well used shorthand notebook and pencil to Mrs. Campbell.
Linda Kinney leaves an incinerator full of scrap paper to Madam.
Bernice Fitzpatrick leaves her seat in the Senior homeroom to Pat Lawrence
Mike Wells leaves his vast knowledge of mathematics to Kevin Cookingham.
Lorraine Ferris leaves her second period study hall to anyone who wants to take it.
Joyce Canevari leaves her outstanding ability to answer Mr. Price's math questions -- not to anyone in particular -- not to anyone -- she'd just like to leave it.
Nancy Davis leaves her worn, torn, and battered French Horn to the Music Department.
Bruce Ahearn leaves his smarts to his brother.
Judy Bailey leaves her law book to Miss Sargent.
Arthur Bagomolmy leaves his class ring of 1964 to the class of '66.
Lorraine Lindsay leaves her love for murdering frogs to the next person in need of a science project.
Helen Campbell leaves a fractured nervous system and her bottle of glue to Gail Whitsitt.
Ann Hoffman leaves her love of cheerleading to Cindy Mylock.
Carolyn Kain leaves her seat in the Senior homeroom to Lorraine Clark.
Bill Brown leaves.

# Class of 1967

As any "ex-junior" knows, the better part of the junior year is spent in frenzied money-raising attempts to prepare for the prom. What had been a spendthrift sophomore class suddenly become a miserly, penny-pinching corporation with one aim only-get that money!

This year, the juniors have had a good start. They have sponsored an entirely new "Go-Go" Dance which met with great success, and they have also held a cake sale. Under the guidance of Mrs. Gros, the class advisor, preparations for the prom are underway.

The officers of this "Go-Go" Class are President, Rosemarie Ammann; Vice President, Laura Yankowski; Secretary, Mary Moore; Treasurer, Diane Doughty

# Class of 1968

The class of 1968 has been able to squirm out of many tight situations during past years, largely because of a valued spirit of class unity. The sophomores are a strong class at Webutuck Central School. All members are fun loving and willing to participate in any money raising project, but they are also hard academic workers.

Their driving initiative was demonstrated this year when the sophs induced the seniors to share with them the plans and profits of the annual Sadie Hawkins Day Dance. This dance and the profit made selling books at the F.F.A. Fair boosted the class's treasury by a considerable amount.

Under the proper guidance, the class of '68 should be one of the best groups in Webutuck's history!

# Class of 1969

The Freshmen of any high school are traditionally under-dogs, but those at Webutuck are more the strong, silent type. After finally being promoted from Junior High, the Frosh are in full swing with plans for dances, cake sales and other activities.

The class first came into the spotlight when David Loper won the prize for selling the most tickets to the Drama Clubs' annual play. With a drive such as this and their unbounded enthusiasm, the Class of 1969 will be one of the powerful forces in W.C.S.'s future.

# Class of 1970

Junior high is the bridge between elementary and high school. Changing responsibility and increasingly advanced work are characteristic, but the eighth graders have accustomed themselves to these changes and are ready to face a freshman world next year.

Although studies are more complex, the students do more than just work. Their effervescent personalities have manifested themselves in sponsoring Junior High dances and participating in sports activities.

The class had a voice in the Student Council through its representatives Edward Akelman and John Becker, who reported any problems that come up.

This year has been fun and a good experience for the students, out, of course, they can't wait to enter high school and move over to the "other side."

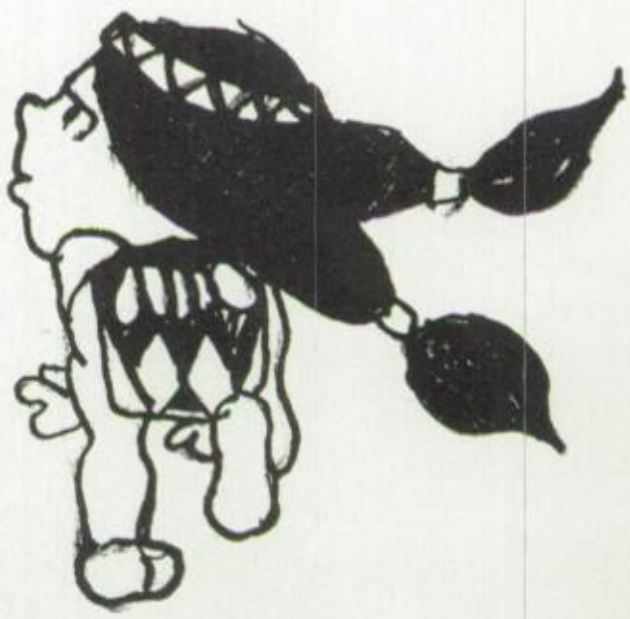
# Class of 1971



Now that they have "graduated from the sixth grade, the seventh graders are looking forward to a whole new school life;

Of course during the first two weeks of school, everything seemed strange-new teachers, changing rooms and some different subjects. But now that they have caught on to how it all works, look at them go!

The 7th and 8th graders already had a dance which was sponsored by the Student Council and have had their class elections. Their officers are President, Kenneth Moore; Vice-president, Lorra Akelman; and Secretary, Linda Beckwith.

Now that they have adjusted to Webutuck, they are happy to be a part of the school.

THIRD ROW: F. Richards, T. Miller, T. Shaffer, D. Reilly, B. McGhee, E. Stickle, K. Moore. SECOND ROW: D. Carr, J. Badeen, S. Strauss, D. Rothstein, A. Saunders, C. Schluensen, A. Whitehead, P. # ACTIVITIES

# The Student Council

President -- Rod Bellows, Vice President -- Mary Jane Conklin, Treasurer -- Vicky Lawson, Secretary -- Carol Cummings.

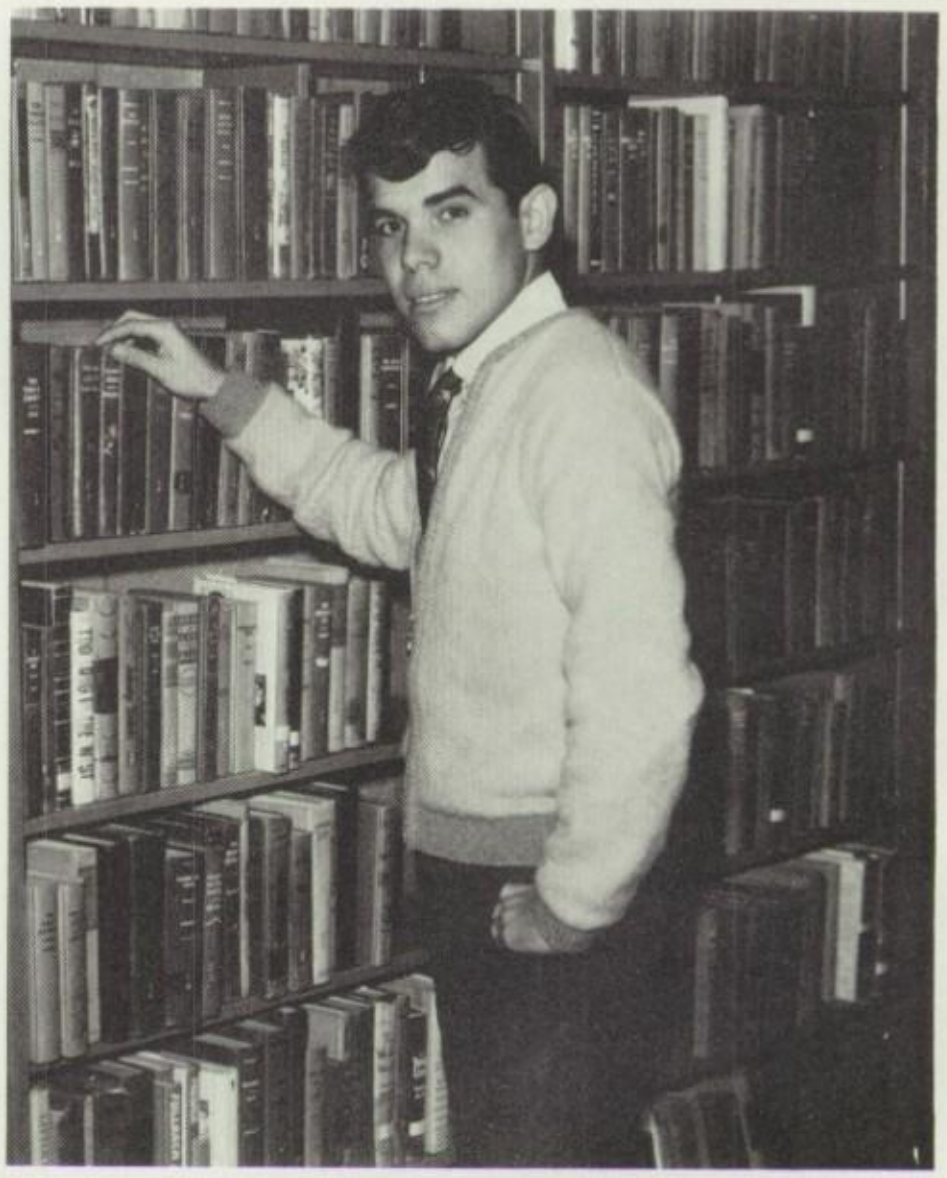
Student Council Book Store

The Student Council is the governing organization of the student body. It consists of an advisor, Mr. Bertomen, and students elected from each grade. Any student, however, wishing to attend a regular meeting may do so, although he holds no vote.

The council sponsors such worthwhile services as the School Book Store, which has become a great aid for students, the Spectator Bus to away basketball games, the Pizza Stand at home basketball games, educational bus trips, Junior and Senior High dances, and assemblies throughout the school year.

This year the Student Council purchased a plaque which will exhibit the names of past exchange students, the countries they came from, and the years they attended Webutuck. It is to be displayed in the main hall for all to enjoy in the future.

# Webutuck's Exchange Student



To the administration, faculty and students of Webutuck Central School:

Since I was very young I wanted to have the opportunity of visiting the United States to study your life, customs and see your beautiful countryside.

When the opportunity presented itself for my applying to a grant of the American Field Service, so that I could come to your lovely country, I never imagined that my life and way of thinking would change so much.

Now I am sure I will be able to face the problems of life, due to the great number of friends and experiences that I have obtained in the short year I have passed with you.

Now I know your ideals, your customs and your daily way of life. I have undstood all of this, because you are the most developed country in the world, and the protector of all nations who love liberty -- not only in Latin America, but all over the world.

I want you to know that I will always be grateful to the wonderful teachers of Webutuck, who helped me tremendously throughout the year despite the fact that I found things so difficult.

To all of you, my companions, may happiness and luck accompany you always and a million thanks for having given me the opportunity of being acquainted with the United States, my second country.

Jorge S. Villalobos Jr.

# The Future Farmers of America

The Future Farmers of America is a national organization for boys interested in agriculture and farming. There are twenty-five boys enrolled in the Webutuck chapter. New members, or "green hands", were initiated at a Mid Hudson County meeting attended by F.F.A. chapters from Dutchess, Rensselaer, Green, and Orange Counties.

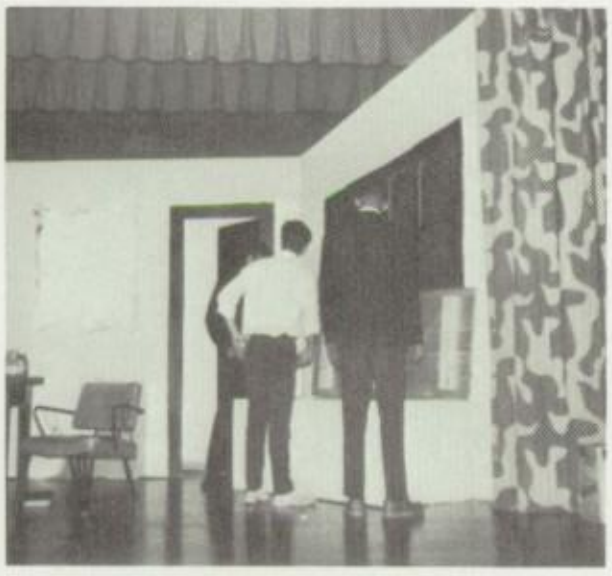
The F.F.A. carries out a crop demonstration each year which is sponsored by Agway Inc. New means are used in growing crops in order to determine better farming methods.

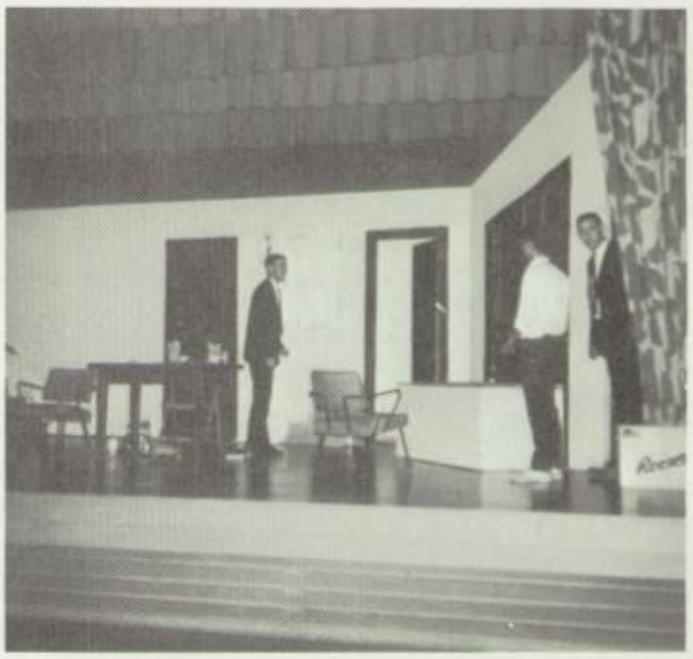
This year the FFA presented its sixth annual Fall Festival, an event which has been a success every year since its innovation.

President -- John Breen, Vice President -- George Hoffman, Secretary -- Pat Lawrence, Treasurer -- Larry Lyle, Reporter -- Ray McEnroe, Sentenal -- John Sawchuck.

# The Drama Club

Arsenic and Old Lace





One of the most popular organizations in Webutuck is the Drama Club. Each year the club sponsors the eagerly awaited Senior Play, which involves much hard work and many long hours. The time and effort is never begrudged by the students, however, for a percentage of the proceeds is donated to the American Field Service in order to bring an exchange student to Webutuck.

In past years the club has presented such dramas as "The Lark," "Our Town," and "The Mouse That Roared." This year's presentation was the famous "Arsenic and Old Lace," a sinister comedy prepared to perfection by everyone involved.

For weeks distracted students ran about painting sets, memorizing lines, getting costumes together, practicing make-up application, and selling tickets. Under the able direction of Mr. Cappo, the club's advisor, and Mr. Best, the art advisor, the pieces fell together at last and the result was one of Webutuck's most successful plays.

# The National Honor Society

The National Honor Society is now in its sixth year at Webutuck. Membership is based on service, leadership, character, and scholarship. To be a member, a sophomore must have an average of 90%; juniors and seniors must have an average of 85%. After mid-term exams, students' final marks of the first half of the year are reviewed. When the new members are found, they are inducted in a formal ceremony before the assembled student body.

The purpose of the society is to encourage in students an ambition for high scholastic achievement and high personal standards. The society also serves the student body by presenting them with assemblies, guest speakers, and offering a tutoring service for those students needing extra help.

Each year the society plans trips to New York City to see popular Broadway plays, and tour nearby museums.

President -- Helen Campbell, Secretary Jane Rossman, Treasurer -- Rose Ammann.

# The Student Leader Corps

President -- Lorraine Lindsay, Vice President -- Carol Cummings, Secretary Treasurer -- Mary Moore.

The purpose of the Student Leader Corps is to give girls a chance to demonstrate their leadership abilities while serving the community and the school.

Membership is based on merit and faculty recommendation. Passing grades are a requirement.

Members can be identified by their dark green blazers with white S.L.C. insignias on the pockets.

Among the activities of the corps are ushering at school functions, selling tickets at home basketball games, and waiting on tables at the F.F.A. Banquets.

# Webtide

This year's Webtide Staff has tried to make our 1966 yearbook the best that has ever been produced by this school.

They have tried to capture in pictures and words the memories that will always be treasured by the students after they have left the halls of W.C.S.

To accomplish this has been a painstaking and time consuming effort on behalf of the staff and the entire senior class. The editors barking at overworded copywriters and photographers were familiar sights and sounds for most of the year. Typists collapsing in tears as they tried to decipher the secret codes used by proofreaders were frequent occurences. Mrs. Carlisle, however, was always there to wipe the tears and stiffle the sobs, and finally the yearbook was finished.

Producing the yearbook wasn't all anguish; there was fun, too, and the hours spent, the swollen fingertips and empty aspirin bottles were gladly sacrificed to give you WEBTIDE '66.

The staff hopes that their effort has produced a book that the school will truly enjoy.

Editor-in-chief -- Helen Campbell, Assistant Editor-in-chief -- Gail Whitsitt, Literary Editor -- Joyce Canevari, Art Editor -- Gwen Carr, Business Manager -- Gay Franks.

# Focus

Editor-in-chief -- Jill Caroff, Technical Editor -- John Canevari.

This year a new magazine has come to the halls of Webutuck. Its major purpose has been to foster controversy within the student body and to provide an opportunity for the publication of literary work. Through this magazine, the confining bonds of the school newspaper have been broken. The standard selection of topics has been surpassed and now exposed are the new and "off-beat" sides of politics, art in its broadest sense and poetry.

Because this magazine is unbiased and open-mind, it has become a wide range sounding board for student opinions. With the support of the student body and the excellent advice of Mr. Thomas Nerney, it appears as if this publication is here to stay!

# Band

President -- Lorraine Lindsay, Vice President Jimmy Cleavland, Secretary-Treasurer -- Pam Warwick, Manager -- Robert Rockefeller.

Thirty-two enthusiastic and musically talented Webutuck participated in our band this year. Under the direction of Mr. John Liskey the band met Monday, Wednesday, and every other Friday, filling either the music room or the auditorium with the cheerful sounds of various instruments. The band played at various school assemblies, the senior play, and parades.

Our hats go off to them for they did a terrific job in making the band a success this year!

# The A.F.S. Club

President -- Nancy Davis, Vice President -- Mary Jane Conklin, Treasurer -- Ronald Kastner, Secretary -- Debra Hersh.

The AFS Club, a relatively new organization at Webutuck, has tried to inspire in the students a genuine interest in the American Field Service program. Its goal is to bring the program closer to the students, in the hopes of encouraging peace and friendship between countries. This year a successful Pancake Supper was sponsored by the club in order to raise money.

Everyone enjoyed getting to know Jorge, this year's exchange student, and is hoping to send a Webutuck Student on this year's summer program.

# Chorus

For many of the students, one of the most enjoyable classes of the day is chorus. Under the direction of Mrs. Helen Andrews, the group performs at concerts, festivals and other school programs. Some members have also participated in the County Music Festival in recent years.

Chorus is the type of class that everyone has fun in, including the teacher. Students participating in it do so for the enjoyment and the feeling of self-achievement that comes with a job well done.

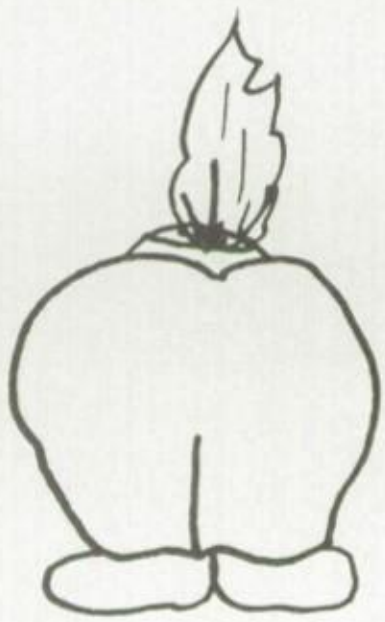
President -- Carolyn Kain, Vice President -- Claire Barlow, Secretary -- Sara Bagomolny, Treasurer -- Barbara Owen.

# Teen Aides

Teen Aides is an organization for junior and senior girls, interested in careers in nursing and willing to devote their time to the patients at Sharon Hospital.

Webutuck Teen Aides work at the hospital on Thursday and Saturday nights, and Saturday mornings; their job is to give the patients fresh water and juices.

All members of Teen Aides, must be eligible for extracurricular activities, and capable of accepting the responsibilities and following the directions given her at the hospital.



# Library Aides

The Library Aides of Webutuck serve as assistant librarians to Mr. Hart. The aides do the routine work in the library in order to leave Mr. Hart free to help individual students. Their job includes cataloguing books, processing new material, distributing reserve material eighth period, making progress reports, and writing passes.

The Library Aides are: Judi Bailey, Jim Bliss, Debbie Fisher, Karen Giblin, Paul Lukens, David Sherman, and Sandy Spinner.

# The Radio Club

The Radio Club was founded to promote an interest in the amateur radio as a hobby for high school students.

The goal of the club is to help each student obtain his amateur radio operator's license from the Federal Communication's Commission.

When using this license he has the privilege of talking to other "hams" all over the world.

The club has expanded since it was founded in 1961 and now has a short wave receiver and two transmitters.

The club welcomes all high school, and junior high students who feel that their interest in the amateur radio will help them receive all the benefits of the club.

President -- Donald Gros, Vice President -- Larry Selfridge, Secretary-Treasurer -- Donald Barlow.

# The History Club

The History Club is in its second year at Webutuck under the able direction of Miss Simmons. The purpose of the club is to provide greater opportunity for students to discuss current topics and to hear speakers on various subjects of general interest. Some of the discussions thus far have been on Russia vs. China, Red China and the United Nations, Civil Rights, and Vietname.

The History Club is fortunate this year because it has an energetic group of students as its members who are aware of the great problems of the world and are eager to discuss them.

President -- Paul Lukens, Vice President -- Linda Smith, Secretary-Treasurer -- Kim Culver, Program Chairman -- Judy Bailey.

# The Fall Festival

Friday, October 15, marked the opening day of the sixth annual F.F.A. Fall Festival. The festivities of the day ranged from the judging of baked goods, to the playing of a soccer game, Webutuck versus Cardinal Farley. Although it ended in a loss for Webutuck with a three to one score, our boys played expertly, even in a torrent of rain. The high point of every year is the coronation of the Festival Queen, and this year Bernice Fitzpatrick was the lucky girl. Her court consisted of Linda Kaye, Debra Money, Mary Saunders, Kimberley Culver, Lorraine Clark and Claire Barlow.

Saturday was highlighted by a pet show and the dairy competition.

Sunday marked the last day with the annual horse show at the Bit & Spur arena.

Another fine job, and our congratulations to all who made our Festival possible.

# The Biology Club

1965 Biology Club Officers

Paul Lukens, Grand Prize Winner of 1965 Science Fair.

President -- June Tripp, Vice President -- Patty Horton, Corresponding Secretary Debra Hersh, Recording Secretary -- Majorie Howard, Treasurer -- Garry Kemmerer, Sergeant of Arms -- Bob Campbell.

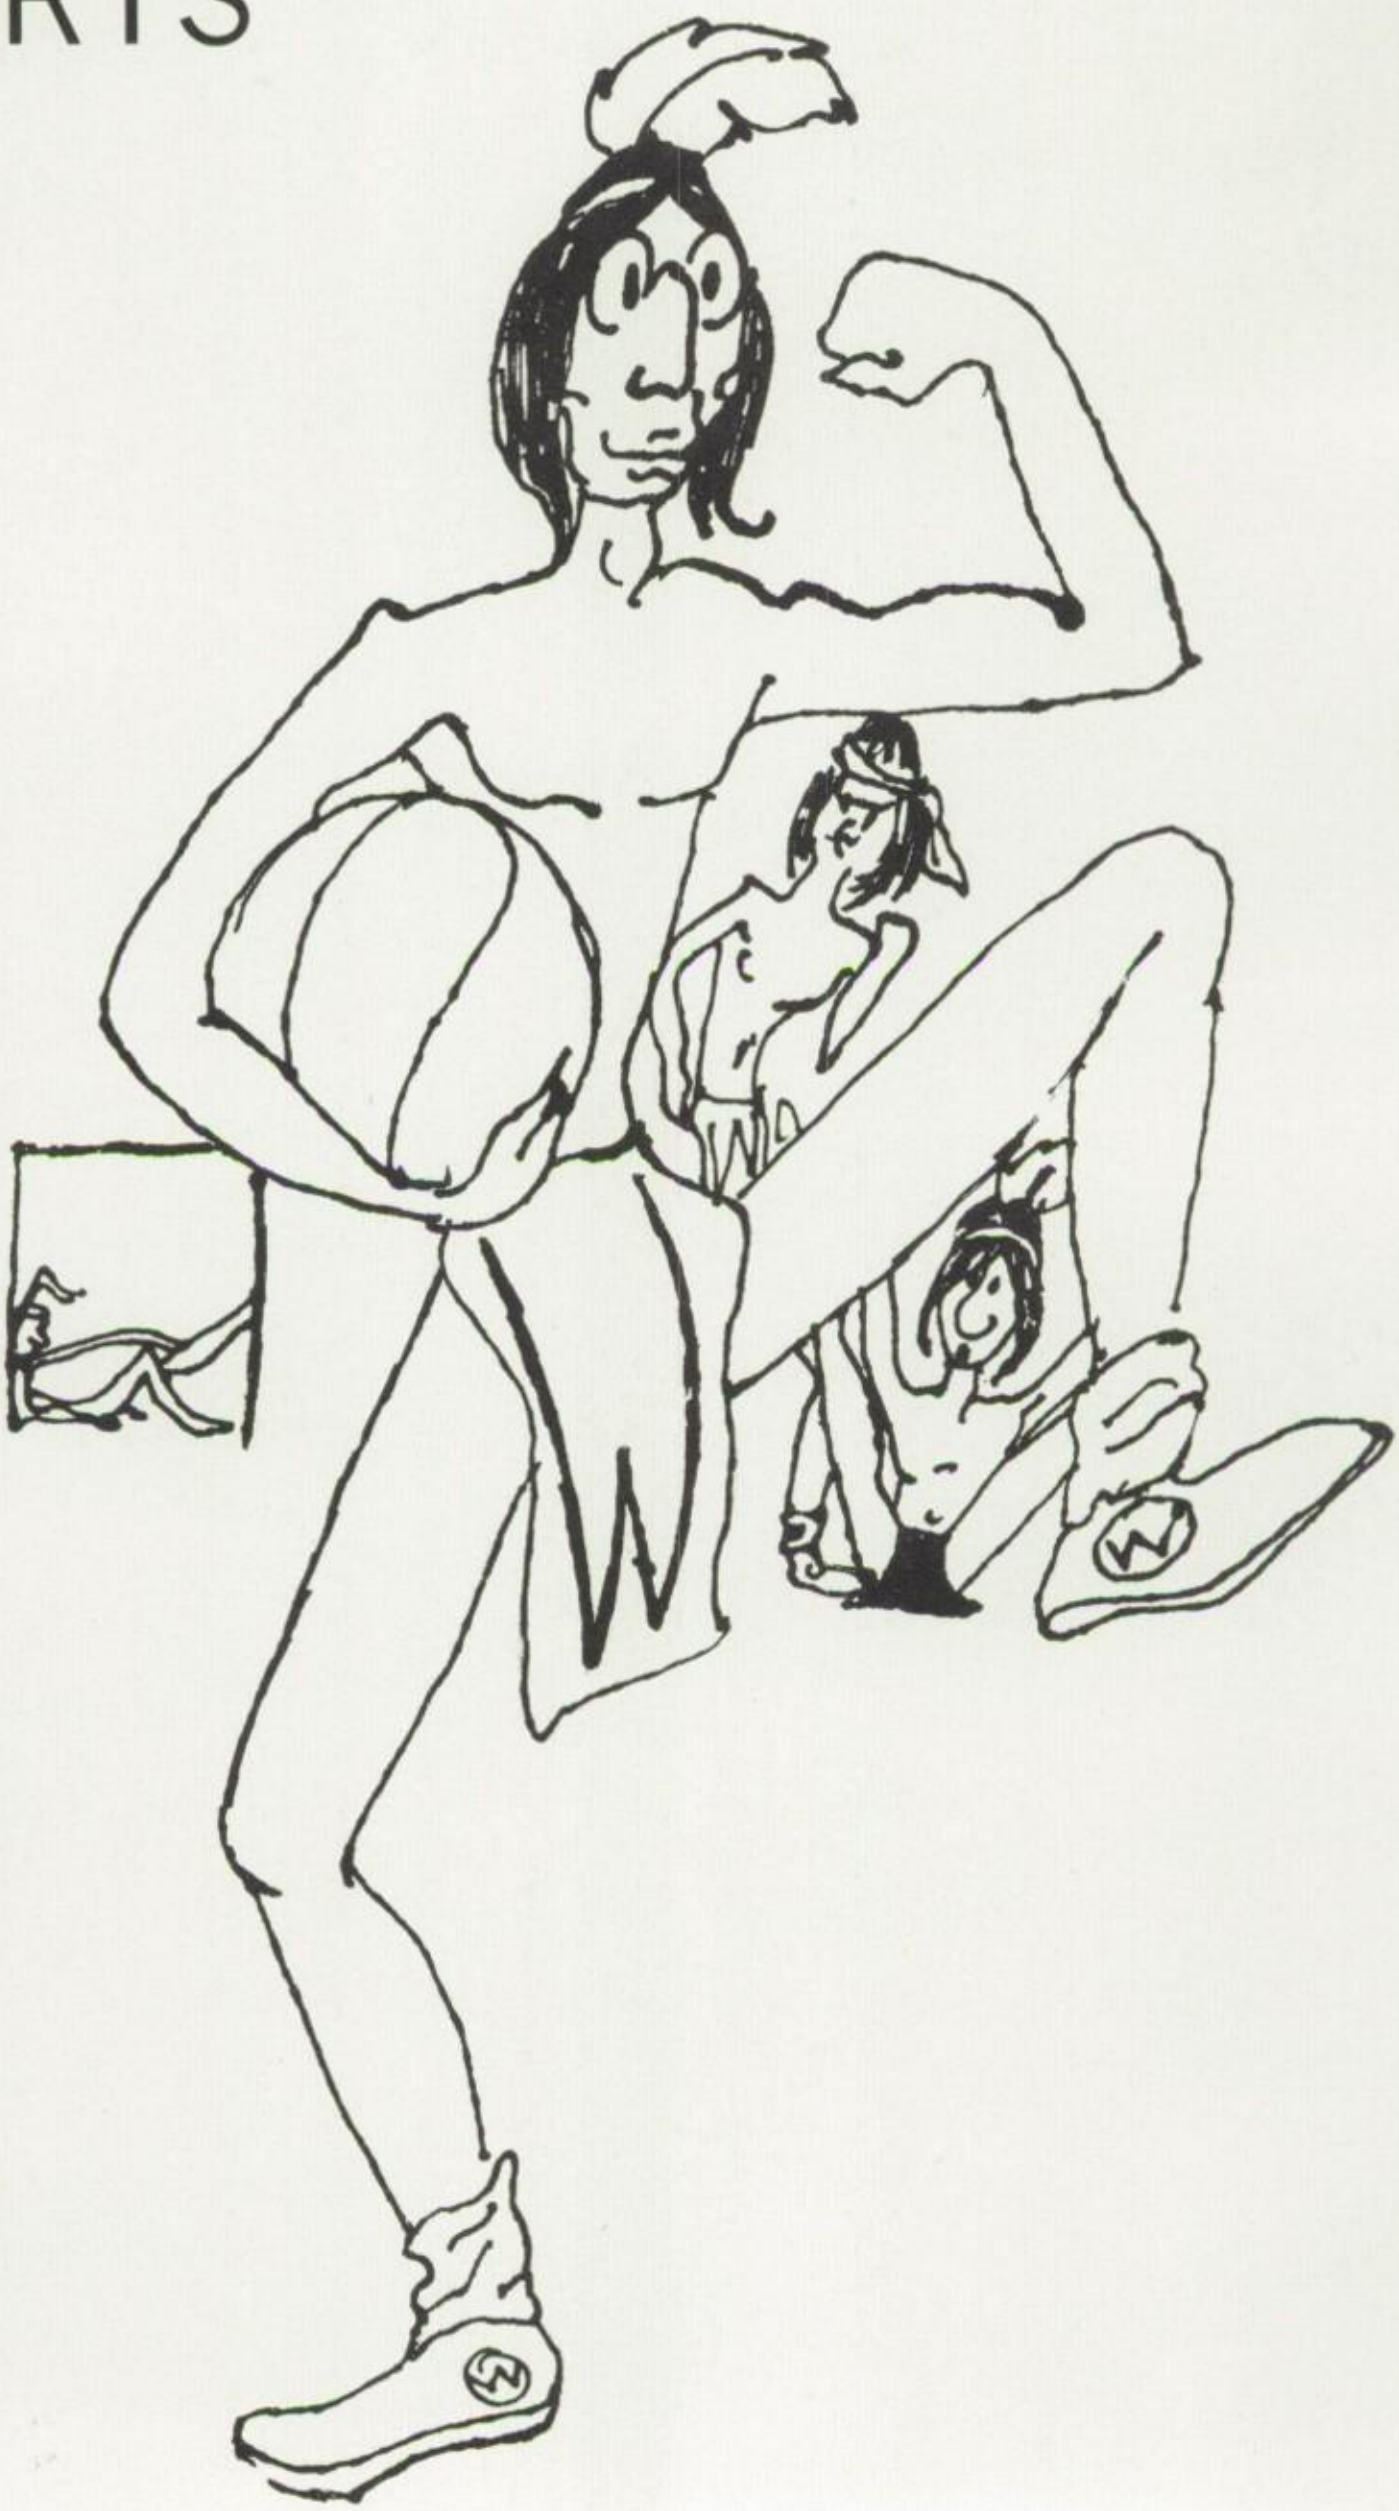
Under the direction of Mr. Des Champs, this club has had several achievements. It has been fullfilling its goal of making biology and science more interesting for its members and other science students.

Among the most recent projects enjoyed by the participants were a trip to both Howe Caverns and Secret Caverns, a film on the reconstruction of a rain forest, and numerous guest speakers who related interesting details of their careers. These talks were open to any senior high student who wished to make use of the privilege.

Members of the Club have planned the Science Fairs held annually at Webutuck since 1960, arranging the tables, sorting entrance blanks and projects, making certain that everything runs smoothly.

We hope the Biology Club and Science Fair will continue to be the successes they have been in past years at W.C.S.

# SPORTS



# Soccer

Webutuck's soccer team may not have won too many games this year, but each player tried his hardest to bring the team to victory. Many of the games were lost by just one or two points in periods of overtime play. Two of the teams' outstanding players, Phillip Mc Eldowney and Butch Booth, were selected for the All-County team.

The boys were coached by Coach Watkins; co-captains were Clarence Howard and Butch Booth.

Good sportsmanship, spirit, and team effort can well describe the Warriors' basketball season for 1965-66.

Even though they were defeated many times, they provided the spectators with unexpected plays and extraordinary half-court shots. They really outdid themselves in their last game against Dover. Each player put forth an outstanding effort of which he can be very proud.

Next year, we all have high hopes for the Warriors.

# Cheerleaders

Varsity Cheerleaders -- Gwen Carr, Gail Whitsitt, Susan Beckwith, Diane Doughty, Mary Moore, Kim Culver, Regina Brickwedde.

Junior Varsity Cheerleaders -- Jody Lind, Geraldine Moore, Arlene Segalla, Candy Franks, Debbie Shultz.

The objectives of the cheerleading squads are to set good examples for our school, promote school spirit and cheer our players to victory during basketball season.

Each year, in the fall, tryouts are held in grades nine through twelve for all scholastically eligible girls. The girls are rated by certain faculty members on neatness, appearance, voice, enthusiasm and a few basic cheerleading skills. The top twenty are chosen; the first ten are the varsity cheerleaders, the lower ten are the junior varsity cheerleaders. The cheerleaders take great pride in their school and attempt to instill this feeling in others.

The training of champions!

Don't trip, don't trip, don't trip . . .

This is the second year for track at Webutuck. The team participated in the following events: pole vaulting, high jump, triple jump, long jump, discus and hurling, shot put, 100-200-440-880- mile and 2 mile, low and high hurdle, 880 relays and medley events.

Webutuck had seven scheduled track meets in which they made an all out effort to carry Webutuck to victory.

That finish line is a lot farther away than it looks!

With that form, they can't lose?

# Girls' Volleyball

This year, the girls' volleyball and basketball teams were incorporated, and most of the practice sessions were devoted to improving basketball techniques. This didn't effect the skills of the volleyball team, however, and the girls' played masterfully in their matches with Millbrook, Dover and Maplebrook.

The coach for the season was Mr. Douglas Best, and he and the team can be proud of their record.

# G.A.A.

President -- Pam St. John, Vice President -- Lorraine Lindsay, Secretary Treasurer -- Bernice Fitzpatrick.

The Girls's Athletic Association is responsible for all girls' extracurricular sports. It takes charge of the scheduling of both intramural and interschool games. By doing this, the organization hopes to instill a feeling of fair play and good sportsmanship.

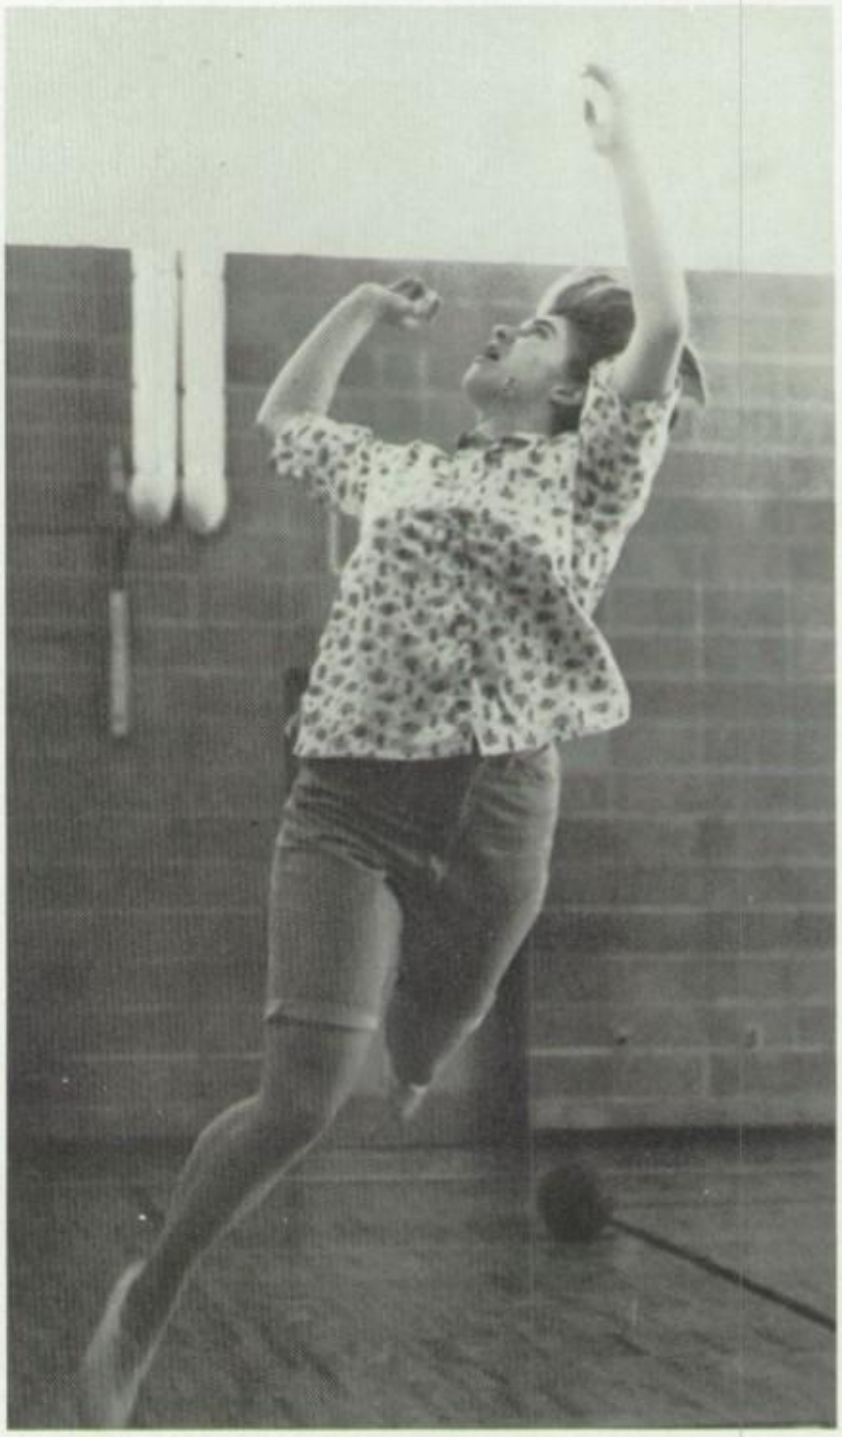
Any girl in the senior high can belong to the organization if they enjoy sports. The Junior High Sports Club is a branch of the G.A.A. which is in charge of junior high sports.

The G.A.A. is based on the point system. At the end of the year, all girls who earned twenty points or more by participating in sports receive an award.

Senior High Girl's Basketball -- organized by the G.A.A.

What an effort!

# Girls' Basketball



The girls' basketball team, under the direction of Mr. Best, has done its part to win laurels for Webutuck's sports record. Team spirit and enthusiasm have led to several victories, a few close defeats and many sore muscles. But throughout the season, the girls have enjoyed themselves -- and it just goes to show that fun is possible, even when Coach Best rules all boys "off limits".

Among the teams played were Maplebrook, Dover, Pine Plains and Millbrook.

Paul,

Best of luck in
everything you do. Never
forget your years at Wabaunsee,
as if you could! Always
stay as sweet as
I am!!! — and you'll
go far (?)

Love ya,
Dee

Paul,
Best of luck to
a real great guy. I
will always remember
our latin classes while
you were there.

Best wishes
Tom.

Paul, Best of luck to you in the future. Don't forget your days at Wabaunsee. Always remember your friends and the good times we had together. Keep in touch.

Paul -

Our Highschool years are almost at a close. We have had many good times and remember them for the rest of our life. There are many things that I have done which were not right and may have hurt other people, -- remember there only for the lesson learned not for the deed done.

Now as we end our most formative years - I will always remember my great teachers
I will remember all the knowledge gained in experimenting
I will try not to repeat the wrong deeds done.
I will strive to improve my whole body - physically & mentally.
I will try to serve my father with all my heart & soul.

Finally - Continue to strive and excel at Wheaton & what ever comes later. Remember we will keep our thoughts and actions clean, fair, Christian, and all above board.

God willing we continue together,

Paul
